ALCOHOLISM/SUBSTANCE ABUSE
OPTIONAL BENEFIT RIDER
CUSTOM CARE PLANS

Your employer has elected the following Inpatient and Outpatient Alcoholism/Substance Abuse Benefits:

Table with 2 columns: BENEFIT and COPAYMENT. Rows include Alcoholism/Substance Abuse Services, Inpatient or Partial Hospitalization (up to 30 days per Calendar Year) with 20% copayment, and Outpatient (up to 30 visits per Calendar Year) with \$25 copayment. Includes a note that combined inpatient and outpatient services are limited to 1 episode of treatment per Calendar Year, 3 episodes of treatment per lifetime.

The following Summary of Benefits is a summary that describes the Copayment amounts that apply to specific types of services. Some benefits require Benefit Certification by PHP. Benefits may have limits and certain services are excluded altogether. When the Copayment is expressed as a percentage, the percentage will be applied to the Total Allowable Charges for the particular procedure allowed by PHP. For a more complete description, please refer to Sections of the Group Subscriber Agreement that discuss How the Plan Works, General Information, Benefits, Benefit Certification, Limitations and Exclusions.

Benefits are subject to:

- 1. the Exclusions identified in Section VII. (Exclusions),
2. the Benefit Certification requirements of section V. (Benefit Certification), and
3. the Limitations identified in section VI. (Limitations).

of the Group Subscriber Agreement (GSA).
