CONFIDENTIAL: PROTECTED HEALTH INFORMATION ENCLOSED Protected Health Information (PHI) is personal and sensitive information related to a person's health care. It is being delivered to you after appropriate authorization from the patient/member or under circumstances that don't require patient authorization. You, the recipient, are obligated to maintain it in a safe, secure and confidential manner. Re-disclosure without additional patient/member consent or as permitted by law is prohibited. Unauthorized re-disclosure of failure to maintain confidentiality could subject you to penalties described in federal and state law.
